## Frequently Asked Questions (FAQ)

---

**Q1: What is the minimum order quantity (MOQ)?**

**A:** Our standard MOQ is one 20-ft container load. If you require less than a full container (LCL), please contact us to discuss available options.

**Q2: Can I get product samples?**

**A:** Samples are provided free of charge; however, shipping costs are borne by the customer.

**Q3: Where can I view your price list?**

**A:** Please contact us with your company details (company name, website, and contact number) and the list of required products. One of our marketing representatives will share the relevant price list.

**Q4: Do you offer CNF or CIF pricing?**

**A:** We usually quote FOB Karachi prices with ocean freight quoted separately. CNF or CIF prices can be provided once the expected order quantity and destination seaport are confirmed.

**Q5: What are your payment terms?**

**A:** Our standard payment terms are 30–50% advance payment to initiate production, with the balance payable against scanned copies of the Bill of Lading and Commercial Invoice sent electronically. All payments are processed via bank transfer. Other payment terms can also be negotiated.

**Note:** Payment terms may vary by region.
